Wisconsin Medicaid implemented temporary claim submission procedures for claims received on and after July 2, 2007, for Medicare Part D dual eligibles. The claim submission procedures are outlined in the June 2007 *Wisconsin Medicaid and BadgerCare Update* (2007-44), titled "Modification of Temporary Claim Submission Procedures for Medicare Part D Dual Eligibles." Claim submission procedures, which were effective through August 31, 2007, are now effective until December 31, 2007, if reasonable attempts are made to submit claims to a dual eligible's Medicare Part D Prescription Drug Plan (PDP). All procedures outlined in *Update*

2007-44 remain in effect until December 31, 2007.

Providers should continue to work with the recipient's Medicare Part D PDP to correctly process pharmacy claims using the prescription drug plan enrollment situations and claim submission information described in *Update* 2007-44. If a resolution with the recipient's PDP has *not* been reached after following the instructions in *Update* 2007-44, providers may contact Provider Services at (800) 947-9627 or (608) 221-9883 to receive a verification number to submit claims to Wisconsin Medicaid.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Although the *Update* refers to Medicaid recipients, all information applies to BadgerCare recipients also.

Wisconsin Medicaid and BadgerCare are administered by the Division of Health Care Financing, Wisconsin Department of Health and Family Services, P.O. Box 309, Madison, WI 53701-0309.
